Thursday 10 January 2019 (1.00pm - 4.00pm)

or

Friday 11 January 2019 (9.00am – 12 noon)

Pete Moorhouse is an Artist Educator and Early Years Consultant

My practice had been very much influenced by Froebel's principles which I believe were well ahead of his time. I am passionate about our hands and minds working together and encouraging creativity. I have just been trying to get schools all over the country to reintroduce woodwork – just as it was so commonplace in Kindergarten. I am always looking for opportunities to spread the word about the wonders of creative woodwork for early years children.

Participants will have hands on experience of woodwork as well as information about Woodwork and the Curriculum, suitable equipment, health and safety and risk assessment.

This seminar costs **£40** and includes refreshments and all materials.
